

**FIONA MA, CPA**  
TREASURER  
STATE OF CALIFORNIA

March 25, 2025

Dear Friends,

As the 34<sup>th</sup> Treasurer of the State of California, it is my pleasure to join the Orange County Business Council (OCBC) in celebration of their 30<sup>th</sup> Anniversary.

Since 1995, OCBC has been a crucial partner in the economic success of Orange County by advocating for business and economic policies at the local, state, and federal levels. I commend OCBC for their commitment to initiatives such as California Jobs First, helping to secure \$14 million for Orange County to support economic development projects that will help disadvantaged communities transition to a carbon-neutral economy.

This milestone is a testament to OCBC's continued dedication to providing a platform for OC businesses to network with elected leaders to help shape business-friendly public policy, helping to maintain and grow California's status as the world's 5<sup>th</sup> largest economy.

Thank you for taking part in this wonderful celebration of OCBC's 30 years of long-standing successes and collaboration for economic development and growth for Orange County and the Golden State. I extend my sincere best wishes for a successful event and many more years of service.

In Peace and Friendship,

FIONA MA, CPA  
California State Treasurer
