Dear Friends,

It is my honor and privilege to join you in celebrating the release of the Orange County Business Council *2025 Annual Report*.

Since 1995, OCBC has served as a leading voice for Orange County businesses, unifying numerous diverse industries behind shared goals benefiting the community. I commend OCBC's longtime advocacy on some of the most important issues facing California today, including infrastructure investment, workforce development, and workforce housing. I congratulate Mr. Kevin Haboian for his service as Chair of OCBC in 2024 and Ms. Rebecca Hall for being elected Chair of OCBC for 2025.

As your United States Senator, I take great pride in celebrating OCBC's ongoing commitment to improving Orange County's businesses, community, and economy. I extend my best wishes for a wonderful evening and a successful Annual Dinner.

Sincerely,

ALEX PADILLA
United States Senator
