Orange County Business Council  
2 Park Plaza #100  
Irvine, CA 92614

Dear Friends:

It is my pleasure to congratulate the Orange County Business Council (OCBC) for 30 years of tireless dedication to advancing and addressing the concerns and needs of the Orange County business community.

Since 1995, California's economy has grown at exponential rates and the OCBC has remained a prominent voice in advocating for shared goals within the business community. Soldiering through some of the most difficult economic times this nation has seen in almost a century, the Council remained steadfast in promoting county-wide investments in infrastructure, expansion of housing resources for workers, workforce development, among other critical issues.

I extend a heartfelt congratulations to the outgoing OCBC chair, Kevin Haboian, who leaves a legacy of forward-thinking programs and initiatives to benefit businesses across the region. I would also like to congratulate Rebecca Hall on her election as OCBC Chair and look forward to working together on our shared goals for the region.

Best wishes for an enjoyable event and please keep up the great work!

Sincerely,

**ADAM B. SCHIFF**  
United States Senator
